

PLAYA

A stylized, minimalist illustration of a beach scene. The background is a light beige color. In the center, there is a large, solid orange circle representing the sun. Below the sun, there are two large, overlapping circles: a teal one on the left and a white one on the right. To the right of the white circle, there is a purple palm tree with a long, thin trunk made of stacked purple semi-circles. The entire scene is framed by a red, pixelated border on the left and right sides.
